Regular Meeting Of Rugby W.I.

The Rugby W.I. held its July meeting at the home of the secretary, owing to the absence of the president, who is holidaying in B. C. The vice president, Mrs. McNaughton, occupied the chair. Two former members, Mrs. H. Farrant who is visiting in the district, and Mrs. H. Jackson, were welcomed to the gathering.

It was decided to pay the expenses of two members of the Girls' Club to the convention at the O.S. A. Owing to the Constituency Conference being held in Didsbury the first week in August, it was arranged to hold the regular W.I. meeting on Tuesday, August 9. Mrs. Rogerson was appointed delegate to the Constituency Conference on August 4th, and it is hoped that as many of the group as possible will also attend.

Mrs. A. Cowitz gave a good report of the recent Provincial Convention, and Mrs. Wahl read an interesting article from "Home and Country."

Roll call was answered with "funny stories," and some were very funny. Community singing and lots of laughter and talk rounded out a very pleasant afternoon. God Save the King was sung and lunch was served.

By the time all the cars reached their various destinations no doubt the men folks were looking for their suppers, and the cows were coming home to be milked.

News Briefs of the Didsbury District

Mr. and Mrs. John Kynel of Pine City, Minnesota, are visiting his brother, Joe Kynel of Elkton. This is the first time they have seen each other in 35 years.

Mrs. D.A. Lamont and David visited with relatives in Calgary this past week.

Mr. and Mrs. Kemp Rowell and family spent Friday in Calgary.

Mr. and Mrs. Lee Sanderman of Calgary and Mr. and Mrs. Walter Simon of Salem, Oregon, visited in Didsbury on Tuesday.

Mrs. E. Eckel spent several days in Calgary last week.

Mr. and Mrs. A.L. McInnes returned Saturday after visiting in Edmonton for the past couple of weeks with Hon. and Mrs. Ivan Casey.

Miss Edith Hunsperger of Edmonton is visiting at her home in the Didsbury district.

Mrs. Ken McCoy and daughter, Twila, Millar and Keith McCoy, are holidaying at Sylvan Lake.

Mr. Wayne Stauffer of Didsbury is among the teachers marking examination papers at Edmonton.

Bill Rennie motored to Gull Lake Sunday and brought back Jean Rennie and Beverly Wiggins from C.G.T. Camp. Mr. and Mrs. McNaughton motored up for Viola and Audrey Jones, returning the same day.

SUCH WAS LIFE

In the days when buffalo bones were still found on Alberta ranges it was quite common to see range cattle chewing and gagging, trying to reduce the bones. Early one morning as I was riding across the prairie I saw a bunch of cattle near my trail. It appeared as though a cow was choking in the attempt to extricate the shin bone of a buffalo. Not knowing the facts I rushed over to offer assistance. The cow bolted forward to where her young calf was hidden in the grass. She turned sharply and dared me to come closer. After a moment's hesitation I saw the need of quick action. Instantly I returned to my saddle and just as I swung into place a pair of horns was so close they almost helped me into the saddle. The cow was still chewing on the bone.

This instance gave me my first eye-opener as to the need of supplement to satisfy the cattle's craving for calcium and phosphorus which they found in the bones.

PIONEER CITIZEN

DIDSBURY 11—CREMONA 5

At the Westcott community picnic last Wednesday the Didsbury Flyers opposed the Cremona ladies in what proved to be a very interesting ball game. At the end of five innings Didsbury was leading by a 7-4 score when rain halted the game for a short time. After the shower two more innings were played with each team scoring runs and a final score of 11-5 in favor of the Didsbury Flyers. Joy Folkman hit the only home run of the game.

Flyers—Morgan, Folkman, Goetjen, Schneidmiller, Price, Dupont, Wood, E. Goetjen, Burke. Cremona—J. McLean, Barclay, Spence, Brian, Fox, Tippe, M. McLean, Camp, Rigby.

John Smallwood Tops the Crow and Magpie Contest

The boys who went after crows and magpies in the Didsbury Fish and Game Association predator control campaign, which ended on June 30, have shown remarkable results this year, and the committee chairman, Ed Grange reported this week that 5,262 pair of feet had been turned in. This is a big improvement over former years and the Association is very grateful to the boys and girls who helped to make the campaign a success.

In the local competition John Smallwood turned in 817 pair of feet to take first place; Bernie Fulkert was second with 766, and Leslie Goetjen third with 309.

While provincial returns have not been tabulated unofficial reports indicate that John Smallwood will probably top the province for individual honors.

A number of boys have qualified this year for the association crest, having turned in 100 or more pair of crows and magpie feet, and these crests can be obtained by applying to the secretary, George McDonald.

Mrs. John Gamble is visiting in Didsbury with Mr. and Mrs. Ira Gamble while her husband is touring the States with the male quartette.

Prize Winners at Cremona Sports

The Cremona sports day held on July 1st was started off by a huge parade. Several prizes were awarded, and those receiving them were: Best Decorated Float: 1st T. Coombs; 2nd N. Eby; 3rd B. Dinney. Best Decorated Bicycle: 1st Orville Tippe; 2nd Marvin Hedding. Best Comic Conveyance: 1st L. Boettger.

Best Dressed Cowgirl: 1st Marie Simpson; 2nd Ruth Johnston. Best Dressed Cowboy: 1st R. Whitlow; 2nd R. Simpson; 3rd D. Brown.

Best Dressed Cowgirl and Cowboy under 12: Donna Maynes and Garry Brown.

During the afternoon a softball game between the town men and the country men was played to a 4-1 tie.

A softball game between the boys and girls was also played with the boys winning.

During the course of the afternoon there were kiddies races and two picture shows.

The day ended with a dance to Calgary music.

CREMONA 6—DIDSBURY 5

At Didsbury Friday night a snappy 7-inning game of softball was played with Cremona scoring the odd run against Didsbury. In a closely-contested match, Cremona ladies completed three double plays at critical stages of the game to hold the Flyers from scoring opportunities. On the evening's play the visitors were worthy winners, with the Cremona shortstop playing a stand-out game. The usual heavy hitters for the Flyers were unable to get to the Cremona pitchers effectively, while some loose base running also contributed to the Flyers' loss.

Didsbury—Morgan, Folkman, Wood, Goetjen, Price, Fox, Krebs, Trapp, Schneidmiller. Cremona—Bellamy, McLean, Camp, Tippe, Rigby, Fox, Spence, Johnson, Brian.

Score by innings: 000 002 2-6 Didsbury 300 002 0-5

Didsbury Dairy Calf Club Meets at Gibbs

Twelve members of the Dairy Calf Club journeyed out to Cliff Gibbs' farm on Saturday, July 9, for their fifth meeting this year. The members met at Tom Morris' Dairy and motored out in three cars.

As Mr. McPhail is on his holidays and could not be present, there was no judging.

The members a 11 gathered around the barbecue for their business meeting, which was opened by reading the minutes of the last meeting.

The main purpose of the meeting was to decide a date for the achievement day, and this will be held in the Memorial Arena, Didsbury. The original date was set for August 6, but this will have to be changed because of the Red Deer Fair. The new date will be announced later in the "Pioneer."

A very delicious lunch was served around the barbecue by the Gibbs.

Mrs. Eckstrand Host To Westcott W.I.

The Westcott W.I. met at the home of Mrs. Cliff Eckstrand on Thursday, July 7th, with 13 members and two visitors present. Mrs. Carl Eckstrand kindly acted as secretary for the day as the regular secretary, Mrs. A. Robertson, is away on holiday, along with several other members, and together with two sick members the gathering was small in number compared to recent meetings.

Roll call was "a dish from another country that you have tried" and members had to tell something about it.

The magazines for the hospital were gathered, followed by the final plans for the Conference to be held in Didsbury on Thursday, August 18th. Mrs. Lloyd Vogel was appointed delegate to the Conference.

As August 4th was the day for the next regular meeting it was postponed until Tuesday, August 9th.

Members were very pleased to accept an invitation from the Cremona W.I. to visit them on Thursday, August 18th.

Three letters were read from the Loughboe W.I. in England, thanking Westcott W.I. for a food parcel which had been enjoyed so much, as there are still many shortages in England.

Mrs. Ed Klink read a letter from the corresponding W.I. in Northern, England. Mrs. Sheldon Owens volunteered to answer this letter.

Mrs. S. Owens had charge of the Famous Artistry this month. She chose "The Horse Fair," by Rosa Bonheur.

Mrs. Wilfred Owens' paper on "Home Economics" was very interesting, her subject being "Facts and Figures for the Overweight." It dealt with what you should or should not eat if you are overweight.

Mrs. W. Baudistel had the bit of fun for the afternoon.

The next meeting will be held at the home of Mrs. W. Owens on Tuesday, August 9th, instead of Thursday, August 18th, when the roll call will be an uncommon or new handicraft, with a brief description.

Ladies don't forget the novelty contest and the change of date.

Bill Payne's new house in the north end of town is nearing completion and the exterior has now been stuccoed.

Cremona Bride-elect Honored at Shower

Miss Jean Johnston, bride-elect of July 15th, was honored at a miscellaneous shower on July 6 in the Cremona United church basement. The shower was sponsored by the Women's Institute and 45 guests were present.

Miss Johnston sat under pink and white bells and streamers and the gifts were presented to her in a box in the shape of a wishing well. Miss Denise Haener and Miss Betty Johnston assisted in unwrapping the gifts.

A delicious lunch was served by the members of the Women's Institute.

MR. AND MRS. JESS TUGGLE RETURN FROM FIVE WEEK TRIP

Mr. and Mrs. Jess Tuggle returned Friday from a five week trip to the Southern States, visiting Yellowstone National Park on the way down and returning by way of the Black Hills, South Dakota. Mrs. Tuggle says they enjoyed the best trip of their lives and saw some wonderful crops.

Charivari-Shower Held for Tuggles

Clever Mount School house was packed with neighbors on Tuesday evening, July 5th, to charivari and shower the newlyweds, Mr. and Mrs. Burr Tuggle, whose marriage took place on Saturday, June 25th.

The evening was spent in a ball game, and then inside the school a program was held consisting of piano solos by the Misses Carol Owens and Doreen Rennie; selections from the male quartette, Norman Tuggle, Jack Edwards, Ben Hopkins and Wilfred Owens.

Mrs. Cliff Eckstrand assisted the happy couple in opening their gifts, and the bride and groom thanked all present for the lovely presents and expressed the wish that all would visit them in their home in Didsbury.

Lunch was then served by the ladies, bringing a delightful evening to a close.

Little Items of Local Interest

Jas. Kirby took a holiday Tuesday to see some of the Stampede events.

Lorna Wiggins is visiting this week with her cousins, the Charlie Yauchs, at Olds.

Mr. F. Fletcher and grandsons, Osmer and Donald Fitzsimmons, took in the Stampede on Monday.

A male quartette consisting of Ernie Neufeld, Myron Tweed, John Gamble and Chyron Madison, left Tuesday for Oregon, Idaho and Washington. They represent Mountain View Bible College and are making a good will tour.

Mr. and Mrs. E.J. Rouleau motored to Delta on Sunday with Mr. and Mrs. Jas. Rouleau and Linda, who will spend a few days visiting with Mr. and Mrs. Merie Fitzsimmons.

Mrs. Art Herman and family arrived Monday from Maidstone, Sask., and have taken up residence in Didsbury. Mr. Herman is employed by Charlie Spreen in the blacksmith shop.

Mr. and Mrs. George Coates of South Dakota arrived Saturday and visited Mr. and Mrs. Ed Ford and the former's brother, Mr. William Coates Sr. They took in the Calgary Stampede on Monday and after visiting in the district for a few days will leave for the Pacific coast, Washington and California, before returning home.

For Bookworms Everywhere . . .

International book coupons issued by the United Nations Educational, Scientific and Cultural Organization (Unesco) now enable readers in countries with currency restrictions to buy books published in other countries. Coupons are sold by Unesco and may be paid for in local currency then used to pay for books from abroad. Here a Belgian miss studies coupon, worth one dollar.

Government Refuses Special Road Grants to Municipality

At the regular meeting of the Council of the Municipal District of Mountain View No. 49, held in the office at Didsbury on Monday, July 4, a report was received from Poundkeeper Leo Fagan on the sale of one hay mare on July 1st.

A communication from the Department of Public Works advised that the applications for seven special grants for road work had been refused.

Another communication from the Department of Public Works advised that material for four bridges had been shipped. These bridges have since been completed, one near Willow Springs Ranch, Crossfield, one at Maitland and two west of Carstairs.

Two applications for Mother's Allowance were approved by Council. Recommendation was also made to the Department of Trade and Industry that a license be granted to H. Baxter for a service station at Maitland.

A delegation interviewed the Council and requested that grading be done on the township line south and west of Cremona. Councilor H.J. Goetjen was appointed to look into the matter.

The secretary was instructed to have one acre of land surveyed on the N.E. of 31-28-3-5, for the purpose of a nuisance ground to serve Madden and Dog Pound.

The secretary was also instructed to negotiate with the Department of Municipal Affairs for five acres of land on the S.W. of 26-32-5-5, near Sundre to be used as a nuisance ground.

A delegation from the Red Lodge

DIDSBURY HOSPITAL BIRTHS

Born at the Didsbury hospital to Mr. and Mrs. Jack Martin of Carstairs on Monday, July 11, a girl. To Mr. and Mrs. Walter Snyder of Didsbury on Tuesday, July 12, a boy.

Bancroft W.I. Elects Yearly Committees

The July meeting of Bancroft W.I. was held at the home of Mrs. Bob Fisher on Sunday, July 10. The meeting opened by singing Silver Threads Among the Gold, and the creed. Roll call was answered by "an embarrassing moment about my cooking." There were seven members and two visitors present.

A thank-you card was received from Mr. and Mrs. Elvin Baptist. Mrs. Bob Fisher and Mrs. Harold Swanson were chosen to attend Farm Women's Week at the O.S.A. The standing committees for the next 12 months were chosen.

A discussion followed on the dance to be held at East Community hall on July 22, or August 5. Date will be announced. It will be a novelty dance with hats and favors and prizes for special dances.

Mrs. Jim McCulloch won the raffle, and Mrs. Fisher demonstrated sock making on a machine. The meeting closed by singing God Save the King, and a lovely lunch was served by the hostess.

Park Board interviewed Council and asked the municipality to support a request for a \$2500 Provincial Government grant to be used in developing the park west of Bowden. Council supported the request.

An offer was refused for the purchase of a small acreage on the S.E. of 4-31-4-5.

Mr. J. J. Miller of Calgary was engaged to re-assess part of the Municipality, as ordered by the Director of Assessments.

Council arranged with the Provincial Game Branch to trap and remove several beaver colonies within the boundaries of the Municipality.

A settlement was arranged for the diversion on the N.E. of 29-31-4-5.

It was decided to spray the weeds and mow the grass along municipal road allowances, as this work is now being done.

Advice was received from the Prairie Farm Assistance Branch to the effect that farmers plowing under spring wheat acreage due to drought must leave a strip around the field, or several meters, to be used as evidence that such field had been sown to wheat. This is important if the acreage plowed under is to be taken into consideration when acreage yields of a township are established for prairie farm assistance purposes this fall.

WESTERDALE NOTES

Mrs. H. Jackson was pleasantly surprised last Wednesday when she received a phone call from Didsbury notifying her that her mother, Mrs. H. Farrant of Rosedale, B.C., had arrived in town, having motored there with friends who were continuing on to Edmonton.

Mr. and Mrs. J. H. Thompson of Vancouver, B.C., were overnight visitors at the home of the latter's sister, Mrs. L. Jones, last Tuesday evening. They also visited for a short time Tuesday afternoon at the home of Mrs. Thompson's niece, Mrs. F.J. Jackson.

Mr. Bill Wigley of Calgary, who was on his way to New Westminster, B.C., for a few weeks holiday, made a stop over visit at the home of his grand parents, Mr. and Mrs. L. Jones, last Thursday night.

Mrs. Jim McCulloch and baby son of Munson, Alberta, visited at her home here the fore part of this week.

Mr. F.J. Jackson, Mr. H. Jackson and Bob motored to the Elora district last Tuesday where they attended the Fred Neudham auction sale.

Westerdale trounced the Hainstock team 17-4 on the home diamond last Saturday afternoon. Bob Jackson, pitcher for the team, had the misfortune to receive an injury early in the game when a runner collided with him while he was attempting to field a fly ball, thus forcing him out of the game. It was tough luck, Bob, but we hope you will soon be feeling fit again.

Mr. W. Herbert took over pitching duties during which time Hainstock tallied only one run.

Mr. and Mrs. R. Jackson, Marion, and niece Barbara, motored to Sylvan Lake on Saturday to bring their son, Jim, and nephew, Arthur Jackson home from the Boys' camp. Gordon McNaughton of Melville also returned with them.

Mr. and Mrs. Ben Kershaw motored to Gull Lake on Saturday to get their daughter, Greta, and Phyllis Jackson, who had been attending the Girls' Camp at Meridian Beach.

Phyllis Jackson motored to Calgary with Mr. and Mrs. A. Buck, and daughters Norma and Patsy on Monday to see the Stampede parade.

Mr. and Mrs. C. Farrant and son Teddy, and Mr. F. Neudham, all of Louisiana, were Sunday guests at the home of Mr. and Mrs. H. Jackson.

Mr. and Mrs. S. Jackson visited in the Innisfail district on Sunday.

Mr. and Mrs. S. Jackson visited in the Innisfail district on Sunday.

Mr. and Mrs. S. Jackson visited in the Innisfail district on Sunday.

Mr. and Mrs. S. Jackson visited in the Innisfail district on Sunday.

Don't Let the Little Ones Spoil Your Vacation

They most certainly will if the game warden finds any undersized fish in your creel. And little faults in your car's ignition, cooling or fuel system may cause you delay and expense if they aren't looked after.

A pre-vacation check-up is pleasure insurance. We make it a specialty, so you can be sure it's thorough. Our trained men will make a complete check of your car's condition, including steering and tires. You can start for the lake or mountains without a worry. And you'll feel safer, too.

Drive your car in today. Or phone, and we'll pick it up.

ENGAGEMENT ANNOUNCEMENT

Mr. and Mrs. E. L. St. Clair announce the engagement of their daughter, Doris Maxine, to Mr. Bill Ambuckie of Calgary. The wedding will take place in Calgary on July 30.

MOUNTAIN VIEW

Mr. and Mrs. A. Thompson and son Barry were at Pine Lake on Sunday and caught a few fish.

Mr. and Mrs. Barney Elliott returned this last night for the motor trip to the western United States and Vancouver, B.C. On their return trip they came by way of Spokane, out to Glacier Park, and through the Logan Pass.

Mr. and Mrs. W. Shultz and Mr. and Mrs. A. Sekulski returned Saturday night after a five day trip which took them to Banff, Lake Louise, the ice fields and back home by way of the Jasper highway and Edmonton.

A few of those from this district who attended the Stampede parade were Mr. and Mrs. Harold Shultz, Mr. and Mrs. W. Shultz, Mr. and Mrs. A. Sekulski and Mr. and Mrs. Charlie Kohut.

There was only a small attendance at the Mountain View hall last Tuesday night for the purpose of forming a Hall Board and put the hall back into circulation. Mayor Lynch-Staunton was present to give legal advice and guidance and the following were elected to the Board: Mr. Holmgren, Joe Hunter, Bill Persinger, John Bruce and Lawrence Hunter. The board met Tuesday night of this week for the first time, to organize.

Mr. and Mrs. Ed Blain, Jessie and girls spent Sunday at Otto Eltner's.

The July meeting of the Women's Institute will be held in Olds on the 21st at the home of Mrs. Ernie St. Clair. All those who would like to attend should phone Mrs. Worrall to find out transportation arrangements. If any member can arrange to take a car load they can get in touch with Mrs. Worrall as soon as possible. Don't forget that it is grandmother's day!

Mr. and Mrs. B.A. Atkinson and Kathleen left last Wednesday on a two week trip to Vancouver. Mrs. J. Worrall is staying with Margaret while they are gone.

Mrs. Joe Hunter and Joy Elliott visited with Mrs. L. Hunter last Tuesday evening.

Lily and George Morasch, Stewart Tighe and Ivy Schmidt visited with Mr. and Mrs. Berg of Acme on Sunday.

Mr. and Mrs. John Kohut returned home last week from their trip to California and Mexico.

The Vacation Bible School which was held last week in Mountain View Hall, presented a little program Friday evening at the close of their busy week with all the children taking part. The parents of those who attended were invited and credit is given the teachers, Betty Boist and Joyce Archer, for their splendid job with the children.

20TH CONVENTION OF ALTA.-B.C. LUTHERAN CHURCH

The 20th Convention of the Alberta British Columbia District of The Lutheran Church, Missouri Synod, assembled at Concordia College, Edmonton, July 5 to 8. Forty pastors, 38 delegates, four advisory pastors and six professors were in attendance. The Rev. F.A. Hertzog, third vice-president of the Lutheran Church, Missouri Synod, represented the office of the president. The Rev. W.C. Birken, Fort Wayne, Indiana, served as essayist, treating "The Principle of Christian Stewardship." Rev. G.H. Schmidt, D.D., executive secretary of Foreign Missions, who had but a short time ago returned from an extensive tour of Mission Fields in Japan, India, China, Australia, the Philippine Islands and Hawaii, gave encouraging reports of the work of the Lutheran Church in these far flung Mission places. The convention resolved to extend its buildings and facilities at Concordia College, Edmonton, and to this end funds in the neighborhood of \$100,000 will be raised. The salaries of Missionaries in the two western Canadian provinces are also to be raised, the increase to be made effective as of July 1, 1949.

In 1950 the general convention of the Lutheran Church, Missouri Synod, will convene at Milwaukee, Wis., and Mr. H.W. Folkman of Didsbury has been elected as lay representative of the congregations of Southern Alberta.

CREMONA NOTES

Mrs. P. Befus, Mr. D. Befus and Mr. and Mrs. H. Hedding and family, all of Calgary, were July 1 visitors with Mr. and Mrs. A. Hedding and family.

Miss Marianne Sutherland left on Monday, July 4, for her home in Kamloops, B.C.

Mrs. Patterson of Calgary visited last week with Mr. and Mrs. M. Hewitt. Mrs. Patterson at one time was a resident of Cremona.

Mr. and Mrs. S. Davis of Vancouver are visiting with Mr. and Mrs. E. Reid. Son was the first transport driver for Cremona.

Mr. and Mrs. Geo. Graham of Toronto are visitors at the home of Mr. and Mrs. A. Spence and Mr. and Mrs. T. Graham.

Mrs. T. Boudrie of Crossfield is visiting with her parents, Mr. and Mrs. L. Parsons.

Mr. and Mrs. R. Reid have as their guests their grandchildren from Vulcan.

Miss Grace Foster of Garfield is visiting with her sister at Buck Lake.

Miss Cieta Umbach spent last week visiting at the home of Miss Jean Bouck.

Mr. and Mrs. G. Camps left on Saturday, July 9, to spend a few days at Gleichen.

Miss Audrey Gale of Calgary spent the past few days visiting at the home of Mr. and Mrs. G. Johnston.

GOODWILL TRAINING
FLIGHT TO CANADA

Six RAF Coastal Command Lancasters from the Long Range General Reconnaissance Unit, 120 Squadron, will leave their base at the RAF station, Leuchars, Scotland, in July on a one month's goodwill and training mission to Canada. The flight will be the first of its kind ever made to Canada by Coastal Command aircraft. Flying by way of Reykjavik, Goose Bay and Greenwood, Nova Scotia, the Lancasters will carry out exercises in conjunction with Canadian Maritime Forces. The cruise will provide additional general reconnaissance training for the squadron. The main flight five Lancasters will leave Leuchars about July 18, but another Lancaster will fly the route a week earlier to arrange their servicing, refueling and maintenance at various points of call.

FEEDING EXPERIMENTS

By marketing hay, barley and oats through beef cattle, cash returns for these farm products were doubled in feeding tests conducted at the University of Alberta stock farm last winter. Feed consisted of good quality oats and barley priced at 65 and 95 cents a bushel, and first grade oat hay, excellent timothy, and alfalfa of first cutting. The average cost of which was \$16 a ton. Cattle went on the feed lot for five months as yearling steers averaging 750 pounds each, and were marketed at 1,000. This returned \$130 per bushel for the oats \$19.7 for the barley and \$32.40 a ton for the hay.

During the test no grain was fed in the first two months forcing the animals to consume more roughage. In another test the animals were given only a limited amount of grain for the first two months thus making better use of the fodder and earning an extra 10 per bushel on the grain and \$1 extra per ton of hay.

Faith will not die as long as seed catalogues are printed.

TINY BULLDOZER

"Agricut", a baby bulldozer, six ft. long and 38 in. wide, said to have most features of standard-size bulldozers, is reported in the "What's New" column of The Financial Post. California maker recommends it for use on agricultural and contracting jobs where space is limited or work is on small scale. Claims it will work on the steepest hills—up, down or around slope. It is said to be able to make complete turn with only six in. of leeway all around. Its six horsepower gasoline engine has two forward speeds and one reverse which gives it ample maneuverability for dirt-pushing and scraping jobs. Blade 16 inches high on front of the tractor can handle up to eight cu. ft. of dirt. A 12 in. plow can be substituted for farm work.

PICNIC POINTERS

Good oats are essential for the successful picnic and here are one or two suggestions worth trying. They come from Miss Joyce Lewis, Nutrition Specialist, Alberta Department of Agriculture.

Did you ever try "Little Pig Potatoes"? While Dad and the boys are getting the fire started, the girls can be getting the potatoes ready to bake. Take along a cooking knife with which you remove from one end the centres of the potatoes—just enough to make room for small sausages. After the opening has been stuffed with sausage close it with a piece of the potato core. Bake the same as plain potatoes.

Another suggestion which is splendid for the little tots is called "Orange Pufflers". Slice off the top of an orange and eat the inside with a spoon. Cook a strip of bacon until it is nearly done on a stick held over the coals. Place the bacon on the bottom of the orange shell and break the egg into it. Fasten on the top of the orange with two small wooden twigs and set in the coals to cook. In about ten minutes you will have a delicious egg ready to eat. If you don't like the flavor of orange, line the cup with wax paper. This is a good breakfast suggestion when you go on an overnight camping trip.

And here is an idea for fishermen. Did you ever cook fish in a paper sack? Sounds rather fantastic but it can be done. Use small fish, about half pound, or fish steaks. Salt and pepper, spread with butter, and wrap well in heavy wax paper. Place in a dry paper sack, twisting top to retain flavor. Place the dry sack in two wet sacks which have been placed within each other, and twist the tops. Place on a camp fire that has been allowed to burn down to ashes and a few hot coals. Allow to cook for 30 minutes.

ATOMIC ENERGY FOR
BIGGER GRAIN CROPS

Seeds of cotton, soybeans, corn and other plants are being exposed to atomic energy at Oak Ridge, Tennessee, in experiments, the objective of which are to produce bigger and better crops.

The seeds ride in trays and get enormous doses of radio activity and thus become radio active themselves. This results in mutations from which new types of plants will be developed. It is hoped that a new corn will be produced which will contain more sugar and be resistant to disease. The objective with potatoes is a bigger and heavier tuber that will keep longer in storage.

BURNSIDE NOTES

All cars in the district headed south Monday to be on hand for the Calgary Stampede.

George Clarke, who has been employed on the Sam Elliott farm for the past year, has been engaged as weed inspector by the municipality.

The newlyweds, Mr. and Mrs. Jackson, are taking a six weeks honeymoon trip to Eastern Canada and when they return will reside on their farm in the Acme district.

Mr. H. McLean motored to Calgary Saturday to stay with his daughter, Mrs. Clifford Nelson, and to take in the Calgary Stampede.

Walter McCulloch and others in the district are plowing under some of their grain crop due to drought.

Mrs. Glen Fulkerth, who has been at Banff for the past month, is back in the district.

It is rumored that another coffee shop is to be built south of the Texaco Hiway Service Station, on property known as the Meyers' land.

Correction—Last week it was stated that Fred Metz had shipped some cattle to Calgary. Fred did ship a few cattle but these were bought by Roy Parks and consigned to Ferndale, Washington.

ZELLA NEWS

(Week of July 4)

Mr. and Mrs. Emerson McInnes and Mr. and Mrs. Jim Johnson enjoyed a motor trip to Rocky Mountain House last Sunday.

Mr. and Mrs. Arthur Waldruff, in company with Mr. and Mrs. W. Herbert of Westerdale, returned Saturday evening from a three-day motor trip through Jasper and down the Banff-Jasper highway.

Mr. and Mrs. Cliff Charley of Leduc were renewing acquaintances in the district and spent Sunday at the home of Mr. and Mrs. Wilbur Jahnke.

Another school term came to a close Thursday when a good crowd turned out to enjoy the races, softball games, and the usual bounteous lunch which is so much a part of a school picnic.

Mrs. Wilbur Jahnke and family returned Tuesday after spending the past ten days holidaying with Mr. and Mrs. Anton Oppen of Camrose. Wilbur Jahnke motored up Sunday to bring the family home.

The men's softball team journeyed to Bottrel last Tuesday evening and were defeated in a very close game, the score being 11-10.

Mrs. Arthur Waldruff left Monday to spend the next three weeks at Sedalia with her mother, Mrs. Mary Blair.

**CARRYING CAPACITY OF THE
SHORT-GRASSES RANGES**

Indications are that 1949 is going to be a very dry summer in all parts of the short-grass prairie. This will necessitate moving cattle to haying feed. The question that arises is, why should these cattle have to be moved if proper grazing practices are maintained?

From studies at the Dominion Range Experimental Station, Manyberries, says Mr. W. A. Hubbard, it has been found that while the effects of the climate upon the seasonal period and rate of plant growth are of considerable importance in relation to grazing, the carrying capacity of a pasture is determined mainly by its annual production of forage. Annual production of forage at Manyberries for a thirteen year period averages 297 pounds per acre total forage, ranging from 128 pounds in 1937 to 825 pounds in 1942. As can be seen from this it is very difficult to state exactly how many head of livestock an area will carry in any one year. The safest method of grazing is to graze at a conservative rate, rather than attempt to adjust livestock numbers at a dry year. However, an allowance of linefeed oilcake to cattle on dry ranges will help maintain daily gains.

The productivity of grasses during the grazing season varies considerably due to different growth habits. This of course influences forage yield within a season. It has been found that spear grass and blue joint produce 50 per cent of the total yield during April and May, 47 per cent during June and 18 per cent during July.

The carrying capacity of the short grass averages 4.7 acres per cow month with a high of 3.6 acres and a low of 8 acres. This means 170 to 332 pounds of forage per acre, which will yield 16 to 13 pounds of beef.

In conclusion it would be well to remember that grazing capacity, which is affected by seasonal moisture conditions, should be carefully watched so that a minimum of over grazing takes place with a maximum of profit.

**POOR HONEY FLOWS INCREASE
BEEKEEPERS' TROUBLES**

With the absence of the usual mid-season honey flow, beekeepers are having difficulty keeping their colonies at full strength this season. The very dry weather has reduced bloom and those flowers that are blooming are not yielding sufficient nectar to supply food for strong hives. Semi-starved and starving colonies stop brood rearing and lose strength. Extra strong colonies having no nectar to gather are making preparations to swarm. If they are allowed to swarm colony strength will be reduced.

W. C. LeMaistre, Alberta's Provincial Apiarist, advises beekeepers to control swarming by providing ample space in the hive to accommodate all the bees. A colony needs anywhere from two to four supers to prevent overcrowding. Any queen cells already built by a colony should be destroyed and the brood removed to a new super. This new super can be placed on top of the hive or on a new stand.

BRITAIN'S SYMBOL

The Union Jack on a pale blue background surrounded by the words "from Britain" is a new symbol which will shortly identify United Kingdom merchandise in other lands. During the war United Kingdom exports were known wherever they went by the slogan "Britain delivers the goods." Now peacetime merchandise is to have its slogan, which made its first appearance at this year's Toronto International Trade Fair.

WESTCOTT ITEMS

The committee in charge of the Westcott picnic last week wish to express their sincere thanks to all those who donated pies, which were sold, and to the many willing workers for the booth, and others who helped to make the event such a huge success. Now we are out of the red, so to speak, and all because of the fine co-operation.

Mrs. Herbert Goetjen returned last week end from a ten day visit with her brother-in-law and sister, Mr. and Mrs. John Stevenson at Sundre. Incidentally the many friends of Mr. Stevenson will be glad to hear that he is improving after the truck accident he was in, but he is still confined to bed at his home.

Gloria Jean Stevenson and Margaret McKenzie of Sundre are holidaying at the Goetjen home.

Miss Deloyce Goetjen accompanied her uncle and aunt, Mr. and Mrs. R.J. Goetjen of Carstairs, on a three week holiday trip to the coast and they will return by way of Portland, Oregon.

Congratulations to Mr. and Mrs. Arnold Bode, whose wedding took place on Saturday last.

Little Kathleen McDonald has the measles. Kathleen stays with her aunt near Didsbury and was to come home here just at the time she contracted the disease.

Mrs. Bernal Reinhardt's sister, Mrs. Chambers and children, are visiting here from B.C.

Miss Alice Wood of Didsbury spent a short holiday with Marjorie Goetjen.

The rain showers have been very spotty out in this district and portions of the area have received no moisture at all. A good soaking rain is needed badly to ensure even a light crop.

MELVIN NOTES

Miss Marjorie Chandler left for Banff a week ago, having accepted a position at the School of Fine Arts.

Mr. Will Youngs of Embro, Ontario, left Monday after spending a week with his brother and other relatives here.

Mr. and Mrs. Lester Krebs and Mr. and Mrs. Allen Krebs returned Wednesday evening from their trip to Vancouver.

Mr. and Mrs. August Krebs left Friday morning for the west coast and expect to holiday in Vancouver and points in the Western U.S.

Mr. and Mrs. Ray Cox and family called at Fishers on Sunday on their return journey to High Prairie after holidaying in the U.S. Sunday evening Mr. and Mrs. Cox called on Ross Youngs and family.

Mr. and Mrs. H. Fischer had other visitors from High Prairie on Sunday night, three car loads of friends calling in on their way to the Calgary Stampede.

Mr. and Mrs. E. Dupont returned Sunday from a four day holiday at Banff.

Mrs. A. Geddes and boys, who spent the past week at the home of Mrs. Geddes' brother and sister-in-law, Mr. and Mrs. Dupont, left for Calgary Monday morning.

After taking in the Stampede they will join Mr. Geddes in Regina, where they will make their new home.

Plan to attend the big anniversary dance at Melvin on August 5. Anderson's orchestra from Calgary will supply the music.

Mr. and Mrs. J. Schneidmiller returned Monday from a trip to Denver and other points in Colorado. During their absence Mrs. A. Bonfort (nee Violet Schneidmiller) stayed at the Schneidmiller home.

Violet returned to her home in Calgary on Monday.

Mr. and Mrs. Louis Holmes and Jimmie of Ladner, B.C., spent a few days visiting with Mr. and Mrs. W. Summers last week.

A sharp electric storm accompanied the downpour of rain late Monday afternoon. A bolt of lightning struck the barn of W. Summers, starting a fire in the loft, which fortunately they were able to extinguish. Two children, George Summers and Jimmie Holmes, who were playing in the barn with a pony sustained shock and of course were badly frightened.

A regular cloud burst followed the electric storm so at least we have an abundance of moisture here.

Mrs. Sam Gibson of Lavo, Alta., and Mrs. Elma Good of Garfield are spending a short visit at the home of their niece, Miss Ruth Johnston. They have just returned from a trip through Banff and Jasper with Mr. and Mrs. Lyle Good.

Of interest to babies is a two-foot tropical plant grown in the West Indies and other warm countries. It is sometimes called the "sea" plant. Its roots form the basic ingredients for pacifying nutritional arrowroot biscuits.

EAST NEWS

Mr. and Mrs. Alfie Thompson are spending a few days in Calgary and will take in the Stampede.

Mr. and Mrs. Walter McCulloch and family were Sunday visitors with Mr. and Mrs. Soderberg.

The Frog Hollow boys visited Lone Pine on Sunday and in the hardball game Lone Pine emerged the winners.

But Tighe was a Sunday guest at the Schumaker home.

Mr. and Mrs. Schumaker and George Long visited Sunday evening with Mrs. D.B. Wood and Ken.

Mrs. D.B. Wood has returned to her home after convalescing for the past few months at the home of her daughter, Mrs. Lynn Huns-

berger.

Miss Shirley Stuart has taken a plane trip to B.C. to visit with her sister, Pearl.

Mr. Corrie Neufeld has returned from his trip to the States. Mrs. Emily Hunter has been visiting in the neighborhood.

REDEEMER LUTHERAN CHURCH
"The Church of the Lutheran Hour"

Rev. E. B. Fox, Pastor

Divine service on Sunday, July 17, at 10:30 a.m. Holy Communion will be celebrated at this service.

Sunday school following the service. Pastor Fox and Mr. Otto Bartz, delegate of Redeemer to the District Conference last week at Edmonton, will give reports on the Conference.

LITTLE ITEMS OF LOCAL INTEREST

Mr. and Mrs. H. Solley returned to Lethbridge on Tuesday after visiting in Didsbury with their son-in-law and daughter, Mr. and Mrs. Eldon C. Hunt, and family.

The service of Morning Prayer will be held at St. Cyprian's, Didsbury, at 11 a.m. on Sunday, July 17th.

Mr. and Mrs. L. Allen and family and John Kynel of Vancouver, B.C., are visiting with J. Kynel at Elkton.

Dr. and Mrs. J.P. Moreau and son Mark of Montreal spent the holiday week end in Didsbury, en route to Edmonton, guests of Mrs. Moreau's parents, Mr. and Mrs. W. B. Dobbin.

Don't forget the dance at Rugby hall on Friday, July 22. Dunwoody's orchestra.

Daily Vacation Bible School for all children will be held in the Evangelical church, Didsbury, from July 18 to 24, under the leadership of Mr. and Mrs. Bud Kowalsky. These two capable young people are looking forward to a good school with the children. A welcome is extended to all boys and girls.

Bonny Clarke, pupil of Mr. C.F. Donner, has passed her Grade II piano examinations with first class honors.

Master Billy Howlett is helping on his uncle's farm while Homer is away at the coast.

Mr. and Mrs. Irvin Rodney and Mr. and Mrs. Louis Holmes and son James, of Ladner, B.C., are visiting with friends and relatives in the Didsbury district.

Mr. and Mrs. Jack Brown visited at the home of Mr. and Mrs. George Innes during the week, on their way home to their farm in Portage la Prairie from a holiday spent in Vancouver and Victoria. Mrs. Brown is a sister of Mrs. Innes. While in the district they also visited at Hartmann with Mr. and Mrs. Geo. McDonald.

Mrs. J. R. Cunningham visited in Calgary last week.

Mrs. Florence Green, Mr. and Mrs. Jack Green and family of Calgary, and Mr. Charlie Tighe of Vancouver, spent Sunday with Mr. and Mrs. G.S. Tighe.

Mr. and Mrs. Will Skerry and Susan were Calgary visitors Saturday and Sunday, and Mrs. Skerry and daughter remained in the city Monday to see the Stampede parade, returning to Didsbury Monday night. While in the city they visited with Mr. and Mrs. A. Jackman.

Heavy rain showers have been prevalent the past few days in some parts of the district, but east of town it is still dry and rain is badly needed to produce even a feed crop.

The local boys who attended the Reserve Army camp at Wainwright last week, returned to Didsbury on the early Sunday morning train.

Mr. and Mrs. Les LeGrand left last week for a holiday in B.C.

Mr. and Mrs. Bob Eubank and Mr. and Mrs. Art Reiber returned Friday from an extended motor trip to California and other United States points.

Mr. and Mrs. Frank Kaufman returned Saturday from a visit to Eastern Canada. While in Toronto they called on Mr. and Mrs. Dave Edwards.

Vic Solley has installed a new quick-freeze unit in his store and now offers his customers a great variety of frozen foods at the "Fro-peteria."

Mr. and Mrs. Bill Collinge, Mr. and Mrs. Louis Holmes and Mr. and Mrs. Irvin Rodney visited at Acme on Sunday with Mr. and Mrs. Tom Collinge and family.

Mrs. Harold Wood, accompanied by Mr. and Mrs. Bob Mortimer, left Thursday and will motor to Berkeley, California, where Bob will major in medical physics, preparatory to his doctor's degree. Bob was awarded a scholarship at the University of California for first class general standing with honors at Alberta University.

Rev. and Mrs. Wm. Elmer and Jimmie of Dallas, Oregon, visited for several days at the home of Mr. and Mrs. J.V. Berscht. Rev. Elmer is a son of Mr. Ralph Elmer, who at one time owned a farm north west of town. While here they also visited old neighbors and friends in the district.

Mr. and Mrs. Lyle Good and Gordon and Mrs. Elma Good returned recently from a week's holiday. They went by way of Sunnyside, Fleet, and Lavoie, Alberta, returning by way of Jasper and Banff. Mrs. Sam Gibson of Lavoie, sister of Mrs. Good, accompanied them on the trip. She will visit with relatives and friends for a few days before returning home.

Mr. Homer Rowell, his sister, Mrs. C.Y. Howlett of Calgary, their uncle, Mr. S. Pearl of Edmonton, and their aunt, Mrs. Jack Pearl of Newcastle, England, are spending a two weeks vacation at the coast and points in the U.S.A. Mrs. Pearl is spending the summer visiting relatives and friends in Canada. She left England April 17th and plans to start her return journey September 28.

Coleman HOT PLATE

Here's a happy thought for the housewife faced with cooking over a hot kitchen stove in the warm summer days ahead! A Coleman Two-Burner Hot Plate will take you out of the sweltering meal-time heat to cool, easy back porch cooking! Ideal, too, as an auxiliary stove in winter.

Easy to use—the odorsless, quiet blue flame is quick, clean and hot. Light, portable and efficient—fits in just anywhere, on table or shelf. Makes and burns its own gas from clean, unleaded gasoline. Lights and regulates instantly. Attractively finished in ivory and brown baked enamel.

CARD OF THANKS

I wish to sincerely thank all neighbors who came to our assistance when lightning struck our barn Monday afternoon.

WILLIAM SUMMERS

UNITED CHURCH SERVICES

Sunday Services at the United Church will be held as follows:
Westcott, 11 a.m.; Morning Worship followed by church school for all ages.

Westerdale, 3 p.m.; Public Worship.
Didsbury, 7:45 p.m.; Evening Worship.

The service at each point will be conducted by representatives of our Boys' Groups. Don Robertson will give a brief resume of boys' work throughout the year, and Dorn Gillrie will report on the Boys' Camp. Camp songs will be sung. A cordial invitation is extended to all to worship with us.

Minister: Rev. J.W. Bainbridge, M.A., B.D.

WANTED — 50 head of cattle to pasture, running water. Apply to K. McElie, Elkton. 1p

STRAYED—Two White Face Yearlings, branded T1 on right hip. Please phone any information as to whereabouts of these animals to R1612, Didsbury. 1p

EVANGELICAL CHURCH

Rev. A. J. Grams, Pastor

Sunday Services: 10:30 a.m., Worship service. 11:30 a.m., Sunday school.

7:30 p.m., evening service every Sunday with the Youth Fellowship in charge at every other Sunday evening service.

Wednesday evening, 8:00 p.m. — Bible study and prayer meeting.

Thursday evening, 8 p.m. — Choir practice.

Alternate Sundays at Bethel and Jutland: 2:00 p.m., Sunday school followed by worship service.

The pastor and congregation extend a cordial invitation to every one to worship with us. "Come and we will do thee good."

UNITED MISSIONARY CHURCH

Rev. E. G. Archer, pastor

Sunday school: 1:30 p.m. Worship service 2:30 p.m.

Sunday evening service 7:45 p.m. Young peoples' service every alternate Sunday at 7:45 p.m.

Wednesday evening prayer meeting at 8:00 p.m.

Davenport school: Sunday school and service each Sunday, 10:45 a.m.

A friendly invitation to everyone to come and worship with us.

A Whole Farm Workshop in One Low-Priced Unit

YES, HERE'S A POWER TOOL unit which will quickly pay for itself in repair work and building.

ONLY ONE MOTOR NEEDED. A single 1-3 H.P. electric motor—or suitable gasoline engine—drives all tools direct.

Made in Canada. All parts quickly and easily obtainable.

ONLY
\$129.00
(MOTOR EXTRA)

Strongly constructed, fully practical . . . offers all the most-needed power tools. Makes your workshop completely effective for a wide variety of jobs. Think of all the short cuts in necessary farm jobs you can take with six power tools . . . think of getting them all in one unit—and at less than half the cost of individual tools.
